Re: Request to Rescind Permit
ARC C&D Recycling Facility
Permit 3215-TRANSFER-2012, Durham County, DIN 20606

Dear Mr. Petty:

The Solid Waste Section has reviewed your request received February 19, 2014 (DIN 20605), to rescind the solid waste permit issued for the ARC C&D Recycling Facility, Permit No. 3215-TRANSFER-2012.

The facility was inspected by Mr. John Patrone on December 17, 2013, and he found that all solid waste had been removed and the site left in a clean condition.

Therefore, the Solid Waste Section hereby rescinds Permit No 3215-TRANSFER-2012 as requested.

If you have any questions regarding this issue, please contact Pat Backus at (919) 707-8257, or by email at pat.backus@ncdenr.gov.

Sincerely,

Edward F. Mussler, III, P.E.
Permitting Branch Supervisor
Solid Waste Section
