Subject: Permit to Operate, Original Issuance  
Ozone Waste Solutions, 4126-MWP-2014  
Guilford County, DIN 20768

Dear Gentlemen:

Enclosed you will find a copy of Permit No. 4126-MWP-2014, dated March 25, 2014, DIN 20764. This permit action approves the application and the original issuance of the Permit to Operate, for Ozone Waste Solutions, Medical Waste Treatment Facility. Make note of the following items;

1. This permit approves the original permit issuance for Ozone Waste Solutions.
2. Since this is an original permit issuance, the permit requires recordation. Enclosed is a certified original of your permit. It is important that the certified original permit be recorded by the Register of Deeds in Guilford County. It should be indexed in the grantor index under the name of the land owner. The certified original should be affixed with the Register's seal, date, book number and page number of recording. A certified original of the permit with the Register's information affixed should then be returned to me at the address at the bottom of this page. The purpose of this recordation to notify future buyers that a solid waste management facility existed on the property, in accordance with North Carolina General Statutes.
3. Attachment 3, Part VI, Condition 2 requires a site visit by Solid Waste Section staff prior to commencement of operations, contact me at your earliest convenience to arrange a site visit.
4. Read your permit carefully and should you have any questions contact me immediately.
5. The approved documents related to this permit may be found on the Section's website at <http://portal.ncdenr.org/web/wm/sw>, see the link labeled Documents (Tracker).
6. Copies of this permit, the approved plans, and all records, are required to be maintained by the permittee at the facility and made available to the Section upon request during normal business hours.
