Subject: Animal Burial Closure  
Halifax County C&D Landfill, Permit No. 4204-CDLF-1998  
Halifax County, DIN 19916

Dear Mr. Garriss:

On October 7, 2013 I received your request, by email (DIN 19915), for the approval to close the animal burial area at the Halifax County Landfill. Included in your email was the procedure for disposal provided by Republic Services. I have reviewed the information provided and approve the closure of the Landfill's animal burial area. Please ensure all buried animals are well covered, to prevent vector attraction. Furthermore, the Halifax County Landfill is approved to send dead animal waste to the East Carolina Environmental Landfill in accordance with that Facility's prior approval, procedures and policies.

Should you have any questions regarding this matter you may contact me at (828) 296-4704 or at [larry.frost@ncdenr.gov](mailto:larry.frost@ncdenr.gov).

Sincerely,

Larry Frost  
Environmental Engineer
