Re: Application for Ten-Year Permit to Operate  
Scrap Tire Disposal Monofill Facility  
Permit No. 4304-TIRELF-1992  
PHASE III CELL 3A AND 3B

Dear Ed:

As you are aware, Central Carolina Holdings, LLC (CCT) has been issued a Permit to Operate for the Scrap Tire Disposal Monofill Facility, PHASE III CELL 3A AND 3B which expires July 26, 2016. The purpose of this submittal is to request issuance of a ten-year Permit to Operate in accordance with HB135 Section 2.c.20 (A) "Tire Monofill, Amendment (Ten-Year)". PHASE III CELL 3A AND 3B is expected to provide adequate airspace capacity for the ten-year Permit to Operate provided current market conditions and recycling efforts continue. Supporting documents for this request are listed in the current permit under Attachment I, Part II List of Attachments and Document. Specifically, all necessary documents to be followed for continued operation of PHASE III CELL 3A AND 3B, including the Operations Plan, the Water Quality Monitoring Plan, the Closure Plan and the Post Closure Plan are included in reference #4. (*Application for Permit Amendment 5-Year Phase (2011 to 2016). Prepared by: Garrett & Moore, 1258 Benson Road, Garner, NC. Dated: February 2011. [DIN 14768, 14769, 14770]*). PHASE III CELL 3A AND 3B will be operated to the final waste grades as depicted on Sheet 4 of the permit drawings, or until the expiration date of the ten-year permit issued by NCDENR subsequent to this request, whichever occurs first.

Please invoice Central Carolina Holdings, LLC for any Permit Application Fees required.
