Re: Issuance of Permit to Operate
Blaylock Grading LCID Landfill
Harnett County
Permit No. 43C
Doc ID No. 18726

Dear Mr. Blaylock:

Enclosed is the Permit to Operate (Doc ID No. 18725) for the above referenced facility. The Permit is issued for a five-year period and approves the continued operation of the facility.

In general, the new facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans.

Please review the conditions of the permit thoroughly. Mr. Robert Hearn is the Solid Waste Section Waste Management Specialist for your area, and can be reached at (919) 707-8292. If you have questions about your permit, please contact me via email Elizabeth.werner@ncdenr.gov or phone (919) 707-8253.

Sincerely,

Elizabeth S. Werner
Permitting Hydrogeologist
