Subject: Authorization – Gas Probe Abandonment  
Champion-International Industrial Landfill Facility  
Haywood County, Permit #4401-INDUS-1979, Document ID No. 19527

Mr. Richardson:

The Division of Waste Management, Solid Waste Section (Section) has completed a review of the document titled *Work Plan for Exploratory Gas Probe Abandonment International Paper Company Closed Landfill 5C* (DIN 19524). The document was submitted on your behalf by Altamont Environmental, Inc. and was received in the Asheville Regional Office on August 13, 2013.

Based on this review, the Section authorizes the removal of the exploratory gas probes listed in the submittal. All work must be accomplished in accordance with the plan as submitted. Any significant changes to the submitted plan may require approval by the Section prior to implementation. There are no permit conditions associated with this activity so no permit modification will be required and no permit fee assessed. It is also requested you notify the Section in writing the project has been completed.

If you should have any questions regarding this matter please contact me at (828) 296-4703, or by email at [allen.gaither@ncdenr.gov](mailto:allen.gaither@ncdenr.gov).

Sincerely,

Allen Gaither  
Environmental Engineer
