Subject: Sanford/Lee County Transfer Facility
Permit # 53-04T
Sanford, Lee County, North Carolina
Modification #2

Dear Mr. Loyd:

The Solid Waste Section (Section) has received your letter dated 12 January 2000 with the proposed design for upgrades to the leachate collection system, exterior drive apron, curb and gutter placement and retaining wall modifications at the above referenced facility. In accordance with North Carolina General Statutes 130A 294 and North Carolina solid Waste Management Rules, 15A NCAC 13B .0402(3), modifications to the facility shall be in accordance with the "SCOPE OF WORK" submittal presented to the Solid Waste Section that is hereby approved.

Following installation of all components, submit a certification letter indicating that the installation was completed in accordance with the submitted "SCOPE OF WORK" submittal. Prior to placing the new system(s) in operation, contact the Section for a site inspection.

If you have any questions or comments please contact me at (910) 486-1191 and Robert Hearn at (919) 571-4700 for a pre-operative inspection.

Sincerely,

Jim Barber
