Re: Engineer's Certification  
Waste Industries Sanford Transfer Station  
Sanford, Lee County, NC

Dear Ms. Backus,

We are forwarding this certification in accordance with Attachment 2, Part VI, Item 7 of Solid Waste Permit 53-05.

I hereby certify, based upon my periodic on-site review of the construction, review of material testing results and a final visual inspection of the facility, that the Facility has been constructed in general accordance with the approved City of Sanford Special Use Permit, the approved NCDENR plans and the approved building drawings.

If you have any questions or require further information, please contact me.

Sincerely,

John D. Barnard, P.E.  
Principal
