Subject: Permit Application Complete
Proposed Sanford Transfer Station
Location No. P1269, Lee County, Document ID No. 20055

Dear Mr Pepper:

The Division of Waste Management, Solid Waste Section, has received your permit amendment application for the proposed Sanford Transfer Station submitted on your behalf by Barnard Engineering, P.C. (DIN 20055). This letter is to notify you that the application is considered complete within the context of North Carolina General Statute §130A-295.8(e).

A determination of completeness means that the application includes all required components but does not mean that the required components provide all of the information that is required for the Section to make a decision on the application. A technical review of your application is in progress.

If you have any questions regarding this matter, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov.

Sincerely,

Patricia Backus, P.E.
Environmental Engineer
Solid Waste Section
