Dear Mr. Pfleger:

The Solid Waste Section (SWS) has conducted reviews of the permit application (Doc ID 20529). The combined comments stated below:

(Section 1.1) According to the info provided in Section 1.2.2 & the lease agreement dated November 22, 2013, the land owner is "Al Hill Properties, LLC", not "Onslow Container Service." Please verify.

(Section 1.11.1) The second item references "1.10.2" should read "1.11.2".

(Section 1.2.3) The correct phone number for the Solid Waste Section (SWS) – Raleigh Central Office is 919-707-8200. The SWS Environmental Senior Specialist assigned for this facility is Wes Hares, not Drew Hammonds. Please make necessary corrections.

(Section 3.2) Please contact the NC Land Quality Section to see if any permit modification to the existing Stormwater General Permit for the site is required due to the change of permit holder at this transfer facility?

(Section 3.3) Is there any alarm system installed to warn the on-site personnel if the leachate tank is reaching the level to be discharge or overfilled? Please clarify.

(Map 2) Please provide the location of the 2,100-gallon above-ground storage tank on the Map 2.

Please respond the above-mentioned comments and provide the SWS a copy of the final Operations Manual including an electronic one (pdf format). If you have any concern of the comment or need any further clarification, please contact me. Thank you and have a wonderful day.

Ming,

I reviewed the Operations Plan attached to your earlier Email. My comments are:

- 1.2.3 “Waste Management Specialist: Drew Hammonds” ; should be corrected to: “Environmental Senior Specialist: Wes Hare”
- 1.11.1 The second item references “1.10.2” ; should read “1.11.2”

I did not review the lease agreement.

Thanks,

Wes Hare
