RE: Notice of Violation

From: Mike Gladden, Director McDowell County Public Works

I am writing in regards to our Violation of the interior walls of the Transfer Station. We have cleaned the interior walls as well as the receiving bay floor and walls. I have also had the Grey water tank emptied. We do wash the receiving bay floors & walls down on a weekly basis. We have devised a plan of renting high pressure washer and a construction lift at least once a year to keep clean. We also complete the mowing of the landfill site, we still have to remove some trees when the ground is dry.

I will be enclosing pictures as well as a copy of the receipt for the pumping of the grey water tank.

If you have any questions, please feel free to call me.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Gladden", written in a cursive style.

Mike Gladden
Director of McDowell County
Public Works
