Re: Permit to Operate
Red Rock Disposal, LLC
Wake County, Permit No. 9228-CDLF-2001, Document ID No. 19813

Dear Mr. Plessinger:

Please find the enclosed Permit to Operate for the Red Rock Disposal, LLC, Permit No.92-28, which approves continued operation of the facility. Smith Gardner will provide you a copy of the final version of the application with approval stamp.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Shawn McKee. She can be reached at (919) 707-8284 or (919) 628-7343.

Sincerely,

Patricia M. Backus, P.E.
Environmental Engineer
