Subject: Financial Assurance Cost Estimate - Red Rock Disposal, LLC
Permit 9228-CDLF-2001, Wake County, Document ID No. 19686

Dear Mr. Plessinger:

The Division of Waste Management, Solid Waste Section (Section) has completed the review of the financial assurance cost estimate submitted as part of the permit amendment application. The closure and post-closure cost estimates are approved as submitted.

Since the submittal of the estimate, the Section has issued a memo concerning implementation of financial assurance for Potential Assessment and Corrective Action (PACA) required under North Carolina General Statute 130A-295.2(h). The memo is enclosed for your reference. A PACA cost estimate has not been submitted for this facility; therefore, your financial assurance for this category must be increased to \$2,000,000. This letter approves the financial assurance as shown.

| | |
|-------------------|-------------|
| Closure | \$2,512,880 |
| Post-Closure | \$1,425,000 |
| Corrective Action | 0 |
| PACA | \$2,000,000 |
| TOTAL | \$5,937,880 |

The financial assurance must be in place before a Permit to Operate can be issued. Ms. Sarah Rice may be contacted at (919) 707-8287 or by email at sarah.rice@ncdenr.gov concerning an increase to your financial assurance mechanism. If you have any other questions, you may contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov.
