Requirements for Beneficial Use of Coal Combustion By-Products

*McKenzie (w/),
Huntersville Found Dealership?*

Gentlemen:

The letter shall serve as notice that the property owned by SunStar Inc., located on the west side of Highway 21 and east of I-77, .25 miles south of Huntersville exit 23 on I-77; has been developed with coal ash provided by Duke Energy from the Marshall Steam Station located in Terrell, NC.

This document is provided as evidence of compliance with all the requirements of NCDEHNR Solid Waste Management Rule 15A NCAC 13B Section .1700 and specifically to meet Section .1706 Closure of Structural Fill Facilities, part d except "Deed Recordation." Deed Recordation is the responsibility of SunStar Inc. and you will be notified under a separate letter when this has been completed.
