ADDITIONAL COMMENTS

1. The Temporary Disaster Debris Site, DS 29-007 was activated on 4/25/14 for vegetative debris storage and processing as a result of the March 6-7, 2014 storm event.
2. The site is utilized for the City of Thomasville's storm debris and is located on the property of Watt Lawn and Garden.
3. Thomasville has contracted with DRC for hauling and processing of the storm debris.
4. The collection of storm debris for the City of Thomasville has been completed. Approximately 60,000 cubic yards of debris was received at this site.
5. All collected storm debris has been processed into mulch and DRC is in the process of hauling the processed mulch to end-users.
6. Activities at the site observed to be in accordance with Temporary Disaster Debris Site requirements.
